

THERE HAVE BEEN PLENTY OF HEARINGS. IS CONGRESS LISTENING?

Talking and acting are two different things.

One thing is clear: Small businesses need a competitive marketplace where private, quality healthcare is available and affordable.

Congress, please LISTEN to us: Reform must HELP, not HARM our nation's job creators.

Reform means:

- More choice, lower costs and real competition of private health insurance plans
- Reduce costs and less wasteful spending
- Policies that preserve and produce jobs
